

# ADITHA DINUJA SERASINGHE

## PROFILE

I'm a creative and adaptable Graphic Designer & Web Developer who enjoys bringing ideas to life whether through striking visuals or clean, functional websites. With hands-on experience in tools like Photoshop, Illustrator, and coding in HTML, CSS, JavaScript, and PHP, I work across both design and development with ease.

I love blending creativity with code to build beautiful, user-friendly experiences. I'm someone who learns quickly, collaborates well, and takes pride in delivering work that not only looks good but truly serves its purpose.
